

Room Seventy Five

Monday 30th May

Welcome to Term Two whanau, I hope you are as excited as I am about the coming

weeks. Term One saw us go on an adventure to Motutapu Island for MI Survival Camp and and even bigger adventure of getting to know each other. A big welcome to the new students in 75, you're all fitting in really well and we're blessed to have you.

Thanks to everyone for coming to your child's SIC, this is so important for their learning and I hope you all have systems in place at home to ensure that they are achieving their goals. We will be working hard at school so make sure you are engaging in your child's learning daily and asking them lots of questions.

Term Two sees us continue on with Humanities, Math, Science and PE. We say goodbye to Music, Visual Art, Communication Literacy and Education for Sustainability and start to look forward to Performing Arts and Sustainable Enterprise.

Performing Arts: Mr Hopkins

Monday Magic: Service

Humanities: Ms Doidge

Science: Mr Lennox

New term, new module. During Module Four: MI Change we will be exploring migration

patterns, ancestry, culture and the ever changing landscape of globalisation and the impact it has had on New Zealand and the Pacific Islands. This will hopefully help students understand where they have come from and inform where they are going in the modern world.

There are two very important things happening in Room 75 this term; our assembly performance and marae stay (yes, another one). The marae stay is Thursday the 14th June and our assembly is the following day, Friday 15th of June.

MI Expression is our chance to be creative and put those skills we learned in Art to the test. We will go off timetable during weeks eight and nine and create individual pieces of art as well as a class piece that will follow an artist or theme. All creations from all classes will then be displayed in the gym as an exhibition.

Please make attendance a priority - turning up 100% ensures your child has the best chance at success. Remember, if you see my number - pick up! It's just me worried about your child! If there are any questions at anytime please do not hesitate to contact me.
