

Term One Review

What a term it has been! I am very pleased to say that all Room 79 students did a great job in Term One. Your child has sealed their place as a valued member of both Room 79 and the Kauri Aiga.

Camp was a blast! Although we did not go to camp with the rest of Kauri, Room 79 showed persistence and had lots of fun! Thank you to our parent helpers!

In Term One your child inquired into their class question, "How can we turn challenges into opportunities for growth?" With lots of research in class they were able to produce some great work. Room 79 also celebrated the great news of Kingslee, Mathew and Joey being selected as Kauri Whanau Captains. This is in recognition of their successful applications and their leadership potential.

Thank you to all parents and caregivers who attended Student Involved Conferences. It was a great turn out for our class. I hope you learnt something new about your child and how important it is for your child to be at school every day. Faafetai tele lava. I look forward to meeting with you at our next Student Involved Conference in Term Three.

Term Two Preview

Module 4: MI CHANGE begins. Room 79 will inquire into the interconnectedness of humanity and how it has changed over time because of a variety of factors.

Your child will have the following teachers for Term Two:

Humanities: Miss Te Paca Adams
Math: Mr Tumii Poko
Science: Mr David Martens
Physical Education: Miss Melissa Lee
Visual Art: Mr Junior Peilua
Music: Mr Mokoia Huata

Noho Marae

Room 79 will have their class noho marae on Wednesday 16 May. This is a learning opportunity that all students in Room 79 are required to attend. Your child will come home with a noho marae consent form for you to fill out and return to me.

MI Expression

During Weeks 8 and 9 MI Expression will take place, where Room 79 will create art which will be displayed at the school-wide Art Exhibition of Learning in Week 10. Further information about MI Expression will be provided within the next few weeks, so watch this space!

Attendance

Our class attendance across Term One was concerning. Your child needs to be at school to learn and ultimately progress. Please ensure your child is at school everyday this term so that they don't miss out on valuable learning time.

Term Two will be another busy term so your child will need to be on top of both their academic and other school commitments. It is important that your child values their learning, and soaks in as much information presented to them in class so that they can talk to you about what it is they have learnt. I ask that you keep encouraging them so that together we can build and develop a great leader, role model and academically powerful student.

Faafetai lava,

Junior Peilua

WHAT'S GOOD IN TERM TWO?

- ⇒ Mon 30 Apr: Module 4 begins: MI Change
- ⇒ Wed 2 May: Newsletter 4 out today!
- ⇒ Tue 8 May: Zone Boys Football
- ⇒ Tue 22 May: Zone Girls Football
