### WELCOME BACK WHANAU!

Kia ora, Talofa, Malo e lelei,

I hope you have all had a wonderful break and are ready to get right into another exciting term at Manurewa Intermediate!

Our class has had some amazing highlights in Term 2 – including our successful class Marae stay in Week 5. This was a wonderful bonding experience for our students and helped to cement some of our learning around Marae kawa and tikanga. Room 3 also had their Southmall visit and a day out to the Fo Guang Shan Buddhist Temple - ending the term on a high by completing their amazing Zentangle artworks during the MI Expression module.

#### Term 3 Preview

Term 3 brings with it a new and exciting module of inquiry: 'MI Influence'. This module investigates the various influences that affect our students' lives: culture, identity, education, people, music and religion, to name a few. In Weeks 8 and 9 students will begin a new module: 'MI Cultural Focus Breakout'. This programme of inquiry includes an exploration of various countries and culminates in an exhibition of learning whereby, students complete a 'bid' for their class country to host the next Commonwealth Games.

Students can also look forward to beginning their new module subjects this term. In Term 3 students will be taking Music with Mr Huata and Visual Art with Mr Peilua. This replaces last term's Module subjects – Languages and Foods.

Finally, I would just like to say a huge thank you for all your support and aroha for our tamariki – with your help there is nothing our kids can't achieve!
