Welcome back! Term 2 has been an amazing term with a lot of learning and exciting things happening. We had an overnight stay at our own marae and it was a great time for our children to bond. We also had a the Manurewa Intermediate Big Day Out where we visited the University of Auckland Business School. It was a great success where your child learned, first hand, the processes of how to be successful business people in the future. Our MI Expression Module (Art Weeks) were also a great success, with some fantastic work produced by the children. We hope you had the opportunity to come in and check on your child's work. This will be displayed in our classroom and you will have the opportunity to view this during Student Involved Conferences happening on Thursday in Week 3. Please make every effort to come.

ATTENDANCE: - Room 20 has been working hard to achieve 100% attendance. Sadly, we did not achieve this in Term 2. I know that the winter is a time for colds and flus but it is important to come to school on time and EVERY day.

CLASS ASSEMBLY: - This will be happening for our class on Friday in Week 3. Please plan to be at assembly to support your child.

WINTER UNIFORM: - In Term 2 and 3 students are allowed to wear PLAIN BLACK skivvies under their uniform and PLAIN BLACK long trousers to keep them warm. Students are expected to wear correct school uniform every day. A note is required if students have incorrect uniform.

HOMEWORK: - Your child is expected to READ and do BASIC FACTS every day as part of homework. There has been a lot of unfinished work from class which I expect them to finish at home, especially to do with their inquiry work. Please support your child and give opportunities to do these at home.
