

ROOM 24 CLASS LETTER

TERM 3 - MONDAY 23RD JULY 2018

These art pieces were created for the MI Expression Art Exhibition by each member of the classroom. Each piece represents who they are and how they express themselves.

Welcome to Room 24! First of all **THANK YOU** to all the families who supported us in Term 2. My name is Eriha Kapa known as Mr K. I'm the form teacher for Room 24 and I have had the privilege to work with your kids. I have learnt so much about them, and I continue to push them to greatness as they have so much potential to be what ever they choose to be. The sky is the limit.

Room 24 had a great Marae stay on Wednesday 6th June. It was an awesome experience to participate in the Powhiri, strengthen our class culture and appreciate and understand Maori tikanga and culture. I would like to thank Miss Brook who stayed overnight with us, and Mr Henry for the beautiful meals. He cooked with aroha for us.

Some other highlights were:

MI BIG DAY OUT: We went on a journey to the Hawkins Theatre. All the students in Room 24 were very excited to see the showcase known as "Heaven & Earth". This showcase celebrated Matariki. The show prepared us for what we will be learning this term in MI Influence which is: 'How has Maori History influenced our lives today?'. We would like to acknowledge our parent helper who came along - thank you very much Faith's mum. We hope you enjoyed it as much as we did.

MI Expression- I hope many of you managed to pop into school to see our Art Exhibition at the end of Term 2. We worked really hard to produce work that was to the best of our ability. If you missed it you be able to see some samples as they will be on display in the classroom until after Student Involved Conferences.

ATTENDANCE:

We want every student to be successful at achieving their goals. The easiest way is to be at school on time everyday. Be at school by 8.30am

HEALTHY EATING:

We have healthy eating everyday. Students need to bring to school a healthy lunch that will sustain their bodies and minds for the day, so that they can continue to learn. Every Friday we have 'Nude Lunch Day', where the students bring food in reusable packaging and containers.

Thank you for your support.
Kind Regards

Eriha Kapa
