

Monday 23rd July 2018
Welcome to Term 3 2018.

Term 2 was very busy with many different things going on. There was loads of learning going on and other activities being run that the children could get involved in. Our Marae Stay during Week 4 was really interesting and we all had a great time. This included Girls Night In and Boys Night Out and all the extra curricular activities that happen weekly. These are all run by teachers and it is good to get the children involved in as many as they can be. It will help develop them as people and give them opportunities to find out what they like and where their future talents lie. This term we have 2 more modules happening Mi Influence and Mi Cultural Focus Breakout. More details on this module will be coming out during the term. This term is also our class assembly during Week 8. It will be great to see as many of you as possible there. Attending school everyday is vital to help the children form lasting relationships and to get the most out of school. If there are problems happening at the school please let me know as soon as you can so that I can help solve them.

I understand that children get sick, especially with the cold and wet weather we have been having but communication is key. If they are sick, please let the school know as soon as possible or text me letting me know why they are absent. If your child needs a rain jacket, please let us know as Kiwi Can Jackets are available. If they are running late or have a piece of uniform that is incorrect then please ensure that they have a note to explain. For a uniform pass they will need to see Ms Doidge before 8:45 am. If you get a call or message from me, please pick up or reply. I am just trying to make sure that everything is ok and to see if I can help at all. **My school number is 2668268 ext 3025 and mobile 021459489.**

Please can you check that the children have their stationery with them before coming to school. Having a pen and being organised means they will get more Mi Money for following the keys to success.

Having a healthy lunch and breakfast is key, the Wharekai is open from 7:30am. If there are any problems at home and they need to make a lunch please get them to come and see me and we can organise that. We also have our healthy eating competition at school so if you can send them in with some fruit, leftovers, yoghurt or sandwiches that will be amazing. This term healthy eating will be running everyday. Bringing water to school is important to keep the children hydrated. They can bring in a bottle and refill this at school. It does not need to be a special bottle; it could even be a milk bottle.
