

Room 26 Term 3

Kowhai won 4 weeks in a row!

Term 2 has been an amazing term. First, Mrs Oh had her baby girl. We loved seeing the photos the very next day and her visit during school singing....then finally getting to see little Sienna when she had time to settle into her routine. We had our overnight stay at the marae. Mrs Oh stayed with us until after dinner. Mr To'a played games in the gym while the girls serenaded Mr Henry as they prepared dinner. It was cool doing a Scavenger Hunt in the dark which Brandon, Jeffery and Ranui won. It was awesome just having time to bond with each other without being pressured to get from class to class.

I hope many of you managed to come to school to see our Art Exhibition at the end of Term 2. We worked really hard to produce work that was to the best of our ability. For those of you who missed it you will be able to see some of our samples as they will be on display in the classroom until after SICs.

Finally the MI Big Day Out trip we have been so excited about—going to Stebbing Studio. Thank you to Caillou's, Hailey's and Trinity's family members for coming with us. We really appreciated the help and hope you enjoyed it as much as we did.

CLASS CHANGES FOR TERM 3:

Module 6 MI Influence

These classes replace Module 4:

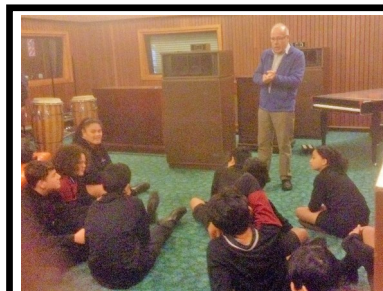

Digi-Comp with Ms Kearney instead of Performing Arts.

Social Development with Mr Kapa instead of Sustainable Enterprise.

I have thoroughly enjoyed working with Room 26 students this term. They are enthusiastic and willing to accept all challenges set them. They have built a wonderful team rapport where they are pleased to celebrate each others achievements.

I wish them well and will be keen to watch their progress through the rest of the year.
