## WELCOME BACK WHANAU!

Kia ora, Talofa, Malo e lelei,

Welcome to the last term of 2018! I hope you have all had a wonderful rest and are ready to get back into yet another exciting term at Manurewa Intermediate!

Room 3 has had some amazing highlights in Term 3. Our class won both the Assembly Shield and Class Environment Shield and were also honoured with receiving the coveted Rimu "R" Chain for our outstanding attendance this term. On top of this, we also had our Student Involved Conferences, Commonwealth Games Bid, Exhibition of Learning, Rewa's Got Talent, the School Speech Competition and our Zoo trip! Term 3 has been full to the brim with all sorts of diverse, educational experiences for our tamariki.

### Term 4 Preview

Term 4 will prove to be another busy term as we have our Spring Social, MI Night Markets and Year 8 Graduation - where has the time gone?! Students can also look forward to beginning their new module subjects this term. In term 4 students will be taking Performing Arts with Mr Tanaki and Sustainable Enterprise with Ms Wright. This replaces last term's module subjects - Visual Arts and Music.

Finally, I would just like to say a huge thank you for your consistent support and aroha for our tamariki - It has been an absolute privilege to teach your students this year and I cannot help but feel a sense of pride - seeing students flourish and come into their own. I have truly appreciated getting to know all our whanau and look forward to celebrating with you all as the Year 8 students graduate.

I will miss the smiling faces waiting at my door every morning, the laughter and most of all, I will miss teaching such a unique group of individuals who constantly challenge me, inspire me and make me want to be better.
