2:55pm: End of day

Welcome back to Room 9, Term 4 Monday 15 October 2018.

Welcome to Term 4 of 2018 at Manurewa Intermediate! We have an exciting and busy calendar; I hope you are just as excited as we are to get stuck into Term 4 and our new action packed timetable. Thank you to the whanau and students who came to support our zoo trip, we had a fantastic day.

I am looking forward to seeing you all at the next Student Involved Conference which is in Week 6, this term. Your child is looking forward to celebrating their learning with you.

MI Passion Pursuits Festival

I am looking forward to seeing you all attend this amazing celebration of learning. This evening performance is a highlight of what each student has learnt during 2018 in their Passion Pursuit. Exhibition pieces from all cultures and passions will be highlighted during this evening.

MI Module 8 "My Place"

This exciting module will explain how living things are suited to their particular habitat and how they respond to environmental changes, both natural and human-induced. Our zoo visit was the front loading for this module.

Uniform

Students are expected to wear correct school uniform every day. Term 4 is our summer uniform, so back to MI shorts, skirts, and no long sleeves underneath. As always a note will be required if students have the incorrect uniform. Please give the note to Miss Doidge before school and she will issue a uniform pass.

Healthy Food

In Term 4, we are continuing to run our healthy lunch competition every day. To help your child to be healthy ensure they have a water bottle and a healthy lunch daily. We acknowledge leftovers as a healthy option too. Sushi, sandwiches or a roll, yoghurt, real juice or fruit are a few items that we classify as healthy.

Kind regards,

A Scott
