

TAWA WHANAU 2018

RELENTLESS AMBITION

ROOM 11

Monday 15th October 2018

Kia ora and a warm welcome back to Term 4, Room 11, Manurewa Intermediate.

Firstly, I would like to thank all my parents, caregivers and whanau. You have all been very supportive of our students on their learning journey. I hope you have seen and enjoyed viewing their art work and learning on display throughout last term.

The weather is getting warmer and our students are enjoying the sunshine and amazing playgrounds that this school has to offer. Please help them to be happy and healthy by ensuring they have a water bottle to use, especially as it gets hotter. Also, good food and snacks will really help your child to have enough energy to play safely and focus on their learning. I do not often assign homework, but the one thing that your child could do every night that makes a difference in their learning is to read. We have a fantastic library here at school and there is a good selection of books in our class library that your child can take home and read.

So, thanks again for your continued support – and I look forward to seeing you at the Girls Night In or the Boys Night Out, or smiling at your child's progress in our Student Involved Conferences in a few weeks.

Please don't hesitate to contact me if you have any issues or queries, and remember my door is always open.
