

# ROOM 14

## BELIEVE. ACHIEVE. SUCCEED.

### Term 4 15<sup>th</sup> October 2018

Greetings to you all, I would like to start by thanking everyone who contributed and made Term 3 such a success for the students of Room 14.

We have had a busy last term focussing on our inquiry about MI Influence, as well as our MI Cultural Breakout where we learned about South Africa.

Last term's achievements include:

- MI Sisters: Otile, Manu and Tatiana
- Boys League : Colwyn

This term we begin Module 8: MI Place, which is about our community and where we come from. We will be exploring this in different subjects.

This is another busy term with night markets, Year 8 Graduation and our final Student Involved Conference in Week 6. We will also be having our EOTC (Education Outside The Classroom) rotations in Week 9. Also your support for kids in their learning and in the different events happening around school is encouraged.

Some reminders for Term 4:

- Our Student Involved Conferences are on the 13<sup>th</sup> of December from 8am-8pm. I look forward to meeting you and celebrating your child's achievements.
- As we head into summer, we move away from our winter uniform. Bringing water bottles and a hat into class is encouraged.
- Lateness - students are expected in class by 8.30 am. If your child is late please bring them to the office.
- Attendance – our attendance is good but could be amazing, please ring the office if your child is away.
- Home Learning- make sure that your child reads every night for 20 minutes as they should have a book to read from the school library. Basic facts and timetables should also be practised every day.

Also, if you see my number please pick up, it's just me worried about your child! You can contact me anytime if you have any questions, I will be happy to hear from you!
