

ROOM 23 CLASS NEWSLETTER

Monday 15th October 2018

Talofa lava, malo e lelei, hello and welcome back students, parents and caregivers. Term 3 was an amazing term for Room 23 and all of our hard work is starting to pay off. The class worked very hard on their display, over a two week period, and the students were all very proud of the end product. We also had our whole school zoo trip which was a huge success. A massive thank you to Lovie and Julie who helped out on the day.

This term we have two modules: 'MI Place' and 'MI Experience'. More information on these modules will be coming out later this term. We also have our last Student Involved Conferences this term in Week 9 Thursday 13th 2018 on Monday the 19th of November. It is essential that you attend this so we can reflect on your child's year at Manurewa Intermediate.

Also this term we have our school MI Night Market on Friday the 16th of November where your input, contribution and attendance on the night will be vital to its success. Please talk to your child about how you can help make the end of our year unforgettable. We would love to see you here!

What we can improve on as a class:

Healthy Eating: Massive improvement in Term 3 but still need everyone to be onboard, bringing more healthy food every school day.

Lates: Students are required to be in school by 8:40am. Any time after this is deemed as late.

Water Bottles: A bit of a dip as expressed at the last SIC's - it is very important (especially with the weather improving) that all students have a water bottle every single school day.

Attendance: Please make sure your child attends school as this is the main barrier to student success.

UP AND COMING EVENTS
