

# 25

## Monday 15th October 2018 Welcome to Term 4

Term 3 was a very busy term. We had our class assembly, the zoo trip and the Cultural Focus Breakout. We had several weeks as Whanau competition winners which showed all the hard work the children had been putting in paid off. The energy and enthusiasm that they put into their learning and working together was great to see.

This term we have some very exciting events coming up. This includes MI Place, which considers how the natural world is all connected. This is followed by our Whanau Fun Day, a celebration of the years learning with SIC's and Graduation. The next nine weeks will go very quickly and there is lots for us to keep working on to ensure we are achieving our targets.

Having a healthy lunch and breakfast is key, the Wharekai is open from 7:30am. If kids need to make a lunch please get them to come and see me and we can organise that. We also have our healthy eating competition at school so if you can send them in with some fruit, leftovers, yoghurt or sandwiches that will be amazing. Last term we really improved on our healthy eating scores so thank you so much for sending the children in with healthy food. Let's keep it up! Also, every Friday it is "Nude Food Day", which celebrates the children who are using wrapping and containers that can be recycled and not damaging to the environment.

Bringing water to school is important to keep the children hydrated. As the temperature increases, it is really important that they have water bottles so that they can rehydrate throughout the day. They can bring in a bottle and refill this at school. It does not need to be a special bottle, it could even be a milk bottle. Thanks.

### Teachers of Rm 25, Module 8

Humanities - Mr Wilding  
Math - Miss Fox  
PE - Mr Shephard  
Science - Mr Yu

### Module Subjects

Digi-Comp - Ms Kearney  
Social Development - Mr Kapa

Attending school everyday is vital to help the children form lasting relationships and to get the most out of school. If there are problems happening at the school please let me know as soon as you can so that I can help solve them.

I understand that children get sick, and hopefully as the weather keeps improving this will happen less. Communication is key so that we can work together. If they are sick, please let the school know as soon as possible or text me letting me know why they are absent. If they are running late or have a piece of uniform that is incorrect then please ensure that they have a note to explain. For a uniform pass they will need to see Ms Doidge before 8:45 am. If you get a call or message from me, please pick up or reply. I am just trying to make sure that everything is ok and to see if I can help at all.

### Some of the upcoming events in Term 4
