11:15am: Prize Giving (Whanau welcome!)
2:55pm: End of day

Term 4 is here! In Room 28 we have been working on **TURNING UP** and **BEING ON TIME!** Now is the time to keep that going. It is important for your child to be at school every day - that is the first step to achieving the goals they have set for themselves. The correct uniform for Term 4 is no long sleeve tops worn underneath, no long pants and no beanies. Students are now able to wear plain black caps and are encouraged to do so, also a reminder that plain black shorts are needed for fitness and PE.

what's happening

Module 8: MI Place

In Term 4 we will be exploring different places in the world and how people and animals adapt to their specific habitats. To start this module off we took a trip to the Auckland Zoo. A great day out that sparked a lot of interest and questions that we are looking forward to exploring throughout the term. A special thanks to our whanau who came along to help out on the day, such an awesome experience would not have been possible without you.

MI Night Markets

We will be having MI Night Markets in Week 5. This will be to raise funds for our MI Experience. If you would like to contribute anything please let me know.

Module 9: MI Experience

This module will take us outside of the classroom to have opportunities for different experiences that will broaden our learning and provide us with some unique adventures.

Student Involved Conferences

The final SIC of the year will be happening on **Thursday 13th December**. This is a very important date to keep in mind for yourself and your child. We will be discussing their learning, setting goals and preparing them for 2019. Make sure to keep an eye out for the SIC booking sheet and get in quick to get the time that suits you best. I am looking forward to celebrating your child's success with you.

Your child will have the following teachers for Term 4:

Humanities & Math - Aimee Burnett
Science - Rita Brooking
PE - Melissa Lee
Foods - Anne-Marie Rowney
Languages - Sid Apiata

Please do not hesitate to call, email or pop in to see me at any time if you have any questions or concerns.
