

Education is the passport to the future, for tomorrow belongs to those who prepare for it today - Malcolm X

MONDAY OCT 15TH

ROOM 78 TERM 4 INFO!

Tena koe, talofa lava, fakaalofa lahi atu, maalo e lelei, kia oraha, hello! Welcome to Term 4, 2018!

Term 3 certainly went by quickly! We enjoyed our Cultural Focus Breakout and the study we did about the Bahamas. Everyone worked hard to research, plan and create amazing displays all about our host-country!

A huge thanks to our parents for coming on the Zoo trip. It was a great opportunity to prepare for our learning focus this term.

Our MI Night Markets will be a busy event and I hope to get some of Room 78's whanau coming in to help us make lots of money for our MI Experience day out! Talk to your child about their contribution and how you can come and join us!

I am excited to finally teach my own module subject to my form class. Digital tools and thinking about how to problem solve are key skills that will help your child in the future job market they will be entering. Maybe they could teach you at home what they are learning at school!

Keep encouraging your children to make the most of the time they have left. I will miss their personalities and creative thinking but hope they use what they have learned with us wherever they end up in 2019.

I hope you enjoy this last part of our year together!

WE HAVE COME SO FAR!

October

- Mon 15: MODULE 8 STARTS: "MI Place"

- PHYSICAL EDUCATION Mr. Rob Shephard
SCIENCE Mr. Sammy Yu
HUMANITIES Ms. Ruhina Leong
MATHEMATICS Mr. Tumii Poko

TERM 4 MODULE CLASSES:

- DIGI-COMP Ms. Tanya Kearney
SOCIAL DEVELOPMENT Mr. Eriha Kapa

Attendance Matters

...every school day counts!

I will be calling you if your child is away.

If you see either of these numbers 266-8268 (SCHOOL) or 022-482-6600 (MY CELL-PHONE) please pick up - it's just me worried about your child.

MODULE & CORE SUBJECTS

Please ensure you contact us if your child will be absent or late after 8:40am. To avoid a detention, please bring any late students directly WITH YOU to the office. Thanks for your efforts to ensure this continues to be a priority.

Uniform passes can be given to your child if they are on time, and they bring a note. Please ask if you are unsure! House bands also count and can be replaced by buying a new one for \$2.00.

Packing a healthy lunch will allow your child to succeed throughout the term. Please help them make something that is nutritious every day of the week! Water bottles are also an essential part of helping your child learn. Please send them with one each day. They have improved a lot in this area and we need to keep encouraging them.

STATIONERY - Please do your best to ensure your child has refreshed their pens and pencils for their lessons. Books and pens are a vital part of their learning tools and they need to be responsible for their own gear.

LEARNING - Please ask your child what they have been learning each week. Have them focus on reading a bit each night or do some Maths review with you to practise their basic facts. Be positive with them; they need it!

If you need to reach me, you can always email at: tanya@manurewaint.school.nz, or connect via text to my mobile at: 022 482 6600. If you wish to ring me in class, please dial 09 266-8268 and select extension 3078.

I have really appreciated getting to know all of you this year. I look forward to celebrating as the Year 8 students graduate and hope to see you at the dinner event later in the term. I also am pleased with the progress the Year 7's have made and hope you encourage them to take on leadership next year as they have heaps of potential!

Please talk to your child about what they are working on for this term - academics, sports, culture or service. We encourage full engagement at school - any questions, please contact me! See you all at our final conferences!

Naku noa na,

Tilmany

Ms. Tanya Kearney
