

ROOM 27

FEBRUARY 4th 2019 KOWHAI WHANAU

WELCOME TO ROOM 27!

I hope all parents and students have had a wonderful break and are ready for the year ahead. 2019 will be another exciting and busy year at Manurewa Intermediate for your child.

My name is Baljit Kaur and I will be your child's form class and Math teacher this year. This is my third year teaching at Manurewa Intermediate. I live in Takanini with my family which includes my husband. I was born in New Zealand but I am Punjabi.

I believe strongly in helping students to work to the best of their potential. I have high expectations of your child, including coming to school every day on time, wearing the correct uniform and also coming with a positive attitude. I look forward to working with you this year to help your child be the best they can be. Your support is encouraged and appreciated both in terms of your child's learning and other school events that happen throughout the year.

Module 1: MI Adventure Module 2: MI Survival

As a part of our curriculum construct all students will be expected to participate in a two day camp. Kowhai will be departing for MI Survival Camp on the 18th of February and will return on Wednesday the 20th of February which will be at Home Bay, Motutapu Island. Students will cook their own meals and participate in a range of activities. To prepare for camp we will be holding MI Night Markets to raise funds for our meals at camp. This will be on the 8th of February 5pm-8pm, and your contributions and support towards this will be greatly appreciated.

We have an open door policy at Manurewa Intermediate and you are more than welcome to come in and have a chat. If you have any questions or would like to like to discuss your child's learning please don't hesitate to contact me!
