TEAM TAWA 2019

Together Everyone Achieves More

MONDAY, 4TH FEBRUARY 2019

WELCOME TO ROOM 28

ADVENTUROUS RISK TAKERS: PERSISTENT, FOCUSED ACHIEVEMENT

Kia Ora, my name is Aimee Burnett and I will be working alongside you and your child for 2019. I will be your child's form teacher and Humanities teacher for the year. I have been teaching in New Zealand for 5 years and I am originally from South Africa where I started my teaching journey.

I strive to make learning fun, engaging and worthwhile for everyone involved. Room 28 will be a safe space where your child can push past their boundaries and achieve anything they set their mind to and work hard for. I am here to support your child to challenge themselves and succeed.

I have high expectations of everyone - it is important that all students are at school **EVERY DAY** at the **RIGHT TIME**, have the **RIGHT GEAR** (uniform, stationery, MI Planner etc.) and come to school ready to learn.

I am very excited for this year and look forward to getting to know you,

Yours sincerely

Aimee Burnett

SURVIVAL CAMP

Home Bay
Motutapu Island

Our first two modules for the year take us to our school wide Survival Camp at Home Bay, Motutapu Island. This is happening in Week Three! All students will take part in a two-night camp, preparing their own food and completing awesome team-building activities.

In preparation for this we will be fundraising as a class to cover the cost mainly through our school Night Market on Friday 8th Feb - yes that's THIS WEEK!!!

Room 28 would definitely benefit from whanau help and participation in both the Night Market and the Survival Camp. If you are able to help or get involved in any way, please contact me to let me know.

I look forward to hearing from you.

Please do not hesitate to call, email or pop in to see me at any time if you have any questions or concerns regarding your child.

09 2668268 ext 3028

aimeeb@manurewaint.school.nz

*And
so the
adventure
begins*

Your child will have the following teachers for Module 3:

Humanities - Aimee Burnett
Maths - Allison Leiataua
Science - Jenny Oh
