Tena koutou katoa my name is Charlene Tamaki and I will be your child's form teacher in Room 73 for 2019. We are a Kowhai Whanau class and I am excited to encourage your child's participation and enjoyment in all Whanau activities. It would be great if you could help your child organise all things yellow to help motivate our Whanau during these events.

My expectations of your child are high and I believe "Right time, Right place, Right gear" is a great starting place. Punctual arrival at school, with their MI Planner, blue and red pen and in full school uniform are a must! I will work alongside Whanau to help all students meet these expectations. My goal is for Room 73 students to realise the opportunities here at Manurewa Intermediate – we are definitely more than just a school.

Our first adventure this year will be MI Survival Camp. To support our costs we will prepare and sell items at our MI Night Market stall this Friday 8th February 5pm - 8pm. To help our efforts you could give your child a hand to organise materials for our stall. If you can help in any way, please feel free to call or text me. I look forward to meeting you all at our MI Night Market. Please feel free to contact me if you have any questions or want to help on the night.

We believe that attendance matters and I appreciate everything you will do to encourage your child's attendance and punctuality. I will be calling if your child is away and you have not left a message. Please pick up - it's just me worried about your child.

Thank you in advance for all your support to help make this year as positive and fulfilling as possible. I look forward to meeting you over the next two weeks as we get our year rocking and rolling.
