Room 3 hosting Assembly in Term 1.

**TENA KOE, TALOFA LAVA, FAKAALOFA LAHI ATU, MALO E LELEI, KIA ORANA AND HELLO!**

Hello and welcome back students, parents and caregivers. I just want to start off by saying what an amazing Term 1 Room 3 had! From our successful MI Night Markets to the excitement of Survival Camp, to the culmination of Room 3's assembly performance; the last term was absolutely jam-packed! The level of engagement at home has been exemplary and it is equally affirming to see whanau take such a keen interest in our tamariki and their learning. Term 2 will come with new and exciting challenges, especially in students' learning. We have co-constructed your child's next steps in Reading, Writing and Maths and it is crucial to now take the time and effort to follow through with these. Learning begins at home and it is from here that our students begin to cultivate lifelong habits that will see them through for the rest of their lives.

## Term 2 Preview

Term 2 looks to be very exciting with many stimulating experiences and opportunities for our students. The new term brings forth a new inquiry for Module 4 - "Ancient Civilizations". This module investigates the ancient world and what we can learn from cultures in the past. Similarly, Module 5: "MI Cultural Focus Breakout" begins Week 8 and runs through to Week 9. As part of this unit, each class will be learning about a country and will put together a performance as part of a whole school show case. As you can already tell, it's going to be a fantastic term full of learning and creative experiences!

## Marae Stay

On Tuesday the 7th of May, Room 3 will be staying the night at Te Kahurangi, our school Marae. We will be taking this opportunity to bond, learn about Maori customs and to share our pepeha. Students will need to bring their overnight gear to school Tuesday morning and will stay on site until 2:55pm on Wednesday. Dinner for Tuesday the 7th and lunch for Wednesday 8th of June will be provided by the school. Parents and caregivers are most welcome to stay the evening with us to participate in this awesome bonding experience for our class; we encourage any whanau to come along!

If you have any further questions about anything, please do not hesitate to contact me on the contact details below - my door is always open.
