

DEAR PARENTS AND CAREGIVERS,

Term 1 was a fantastic start to the year and as a class we have already achieved so much. The MI Night Market and Survival Camp were a great way for us to grow our class culture and get to know each other. From a Humanities perspective, it is great to see your child beginning to experiment with their vocabulary, literary techniques and sentence structures. They followed their curiosity when writing, researching and presenting a piece on someone who inspires them. I have seen your child making a concerted effort to make sure they abided by the Term 1 SMART target: 'Right Place, Right Time, Right Gear'. Although Room 9's current attendance percentage (91%) is good, we want to raise this to match the school attendance goal of 95%. Next term, we also want to win more points for our healthy eating Whanau competition, have fewer lates and the correct uniform everyday!

As we move into Term 2, we want to pick it up a gear to ensure that our children are being risk-takers and maximising their potential by taking every opportunity that MI provides. Our SMART target this term is: 'To move a mountain, start with small stones'. With your help, I aim to encourage your child to keep persisting and taking those small but momentous steps of progress, both academically and socially. Our Module 4 topic: MI Ancient Civilisations, is one rich with potential and one where your child will be able to follow their curiosity and interests. On Wednesday 19th June, we will be having the Room 9 Marae stay at school, and further information about this will be available closer to the time.

I look forward to working with you and your child once again in Term 2 and I wish them every success.

Sincerely,

JOSEPH HARDERN

TERM 2 2019

Week One
