ROOM 11

MON 29 APRIL 2019

TERM 1 HIGHLIGHTS

Term 1 has flown by as we arrive back from a well deserved holiday in an even more exciting Term 2. Some highlights from Term One must be meeting our new classmates and teachers, raising funds at MI Night Markets and overcoming obstacles at camp.

We also discovered the school values like Graduate Profile, our Keys to Success and our SMART Targets in which we have followed to make Manurewa a safe and fun place to learn. Our challenge this term was to keep to our SMART Targets by consistent attendance records, arriving on time and wearing the right gear.

I am excited to hear some amazing stories about our holiday we are going to share. I was fortunate enough to venture down to Queenstown, where I was able to discover more of New Zealand's beauty.

OUR TERM 2 SMART TARGET

Our Term 2 SMART Target is "To move a mountain, start with a small stone". This message refers to making sure that we complete the small things to the best of our ability in order to reach our long term goal and better ourselves for the future.

WHAT TO LOOK FORWARD FOR IN TERM 2

We have some exciting new adventures to look forward to in Term 2: For our service to Southmall, we will be giving back and showing respect for our community.

Room 11 will perform an assembly where we will spread a positive message to the school through acting and dancing run purely by the students.

Our UN Show in Week 10.

Our class Marae stay will be held on Wednesday in Week 9.

We have done so well to keep to our SMART Targets in Term One. Just a friendly reminder that we must go hard in Term Two to keep those standards up. Right Place, Right Time and Right Gear.

If there are any issues, please could you contact either the school or send a note with your child and a valid reason. We have had seven students that have done an amazing job to be at school everyday in Term One and I challenge Room 11 to have 100% attendance in Term 2.

Encourage daily reading instead of devices in the evenings to help grow literacy skills and a curious mindset. Discuss and interact about learning with your child as it forms unbreakable connection and confidence knowing you care.

TERM 2 SPECIALIST TEACHERS

Humanities	- Mr Vallender	Room 11
Math	- Mr Morgan	Room 14
Science	- Miss Tamaki	Room 73
