

BELIEVE. ACHIEVE. SUCCEED.

Room 14- April 29th 2018

Kia Ora, Talofa, Malo e lelei. A warm welcome to Room 14's Term 2 class letter. I hope you all had a nice and restful holiday.

Mr Morgan's corner:

It was hard to choose a highlight from Term 1 at Manurewa Intermediate. Well done to all of Room 14 for their incredible efforts in our Week One Night Market. The money we raised meaning we were able to eat on our fantastic journey to Motutapu Island..... Phew!! We doubled down our efforts in Week 3 and it was awesome to see every single member of Room 14 climb to the peak of the Rangitoto during our wicked camp. I'd also like to praise and celebrate our fantastic work towards our the MI Graduate Profile as of our MI Way module. As a team we have quickly got to grips with the expectations of Manurewa Intermediate with our service to the school already recognised in whole school assembly. We in Room 14 are looking forward eagerly to exploring Ancient Civilizations as part of our Term 2 topic and continuing the awesome effort we have already put into our learning! ROLL ON TERM 2!

Attendance:

Coming to school every day and being ON TIME is vital to your students academic progress. It's really important to make every effort to have 100% attendance weekly! Not only for ourselves but to support our Whanau in our school wide competitions! As our SMART Target for Term 2 says 'To move a mountain, start with small stones'.

Late and uniform:

We have been, as a class, really impressive this term in maintaining very high standards when it comes to these areas. Thank you very much for your help and support in this matter. Let's keep it going! In Term Two you can wear a plain black shirt under your uniform top and you can wear plain black pants on top of your shorts as part of your school uniform. Please make sure it is named. Please also remember our Whanau bands are a part of our school uniform and are expected to be worn daily!

Healthy Eating:

From next term this will be every day so we must make an effort to bring in healthy lunches.

Next Term

When we return our school learning will be focussed around ancient civilisations! An incredible opportunity to see how our ancestors shaped the world in which we live and the important role they played on modern day mathematics and languages.

We are having our class marae stay on Monday 10th June. This is where we will be learning about the Samoan Fale, Te Kahurangi, and its importance and experiencing traditional Maori games. This is a fun and important experience and everyone is expected to be there.
