

Room 30- April 29th 2019

Kia Ora, Talofa, Malo e lelei. A warm welcome to Room 30's Term 2 class letter. I hope you all had a nice and restful holiday.

Mr Byrne-Hansen's corner:

Survival Camp 2019- This was one of the highlights of the term. We had lovely weather going over to Rangitoto Island and Motutapu Island. Everyone was in action putting up tents, cooking food, hiking and learning some team building skills. We were tired by the end of the trip but had a lot of fun as a class getting to know everyone. A huge thanks to the school for organising everything.

The SMART target for Term 2 is "To move a mountain, start with small stones".

Attendance so far:

This is something I am passionate about. Coming to school every day is vital to your child's academic progress. It's really important to make every effort. However, I do fully understand when circumstances are beyond control. Thank you for your continued support with this.

Lates and uniform:

We have been, as a class in Term 1, really impressive in maintaining very high standards when it comes to these areas. Thank you very much for your help and support in this matter. Let's keep it going! In Term 2 you can wear a plain black shirt under your uniform top and you can wear plain black pants on top of your shorts as part of your school uniform. Please make sure it is named.

Healthy Eating:

This will be the same in Term 2, every day. Let's be even better this term in this area in class.
