

### Monday 29th April 2019

Welcome back whanau and I hope you have had an exciting two week break. I would like to start with a few words of thanks. Firstly, for everyone's contributions to our Night Market stall. We made enough profit to ensure our class ate very well at Survival Camp.

Secondly, to Hera, Floyd, John and Gloria who supported our class at Survival Camp and were fine examples of what resilience looks like as we persevered through the tail end of Cyclone Oma. They helped all our kids during the hike, tent pitching, food preparation and so much more. I really can't thank you enough.

Next, I would like to thank and congratulate all the whanau who attended our Student Involved Conferences. These are always eventful and a perfect way to connect with home.

Term One was great but this term will be even better as we move forward!

**Thurs 4 July:** Zone Girls Hockey 7.00pm-9.00pm: UN Show (Rimu and Tawa)

**Fri 5 July:** Last Day of School

### EXPECTATIONS 101:

**Attendance:** Our class is falling behind with our attendance percentage. I understand that students get sick but the school then requires a medical certificate when students return. I will only inform the office from now on if I receive a medical certificate. There are way too many students taking days for ailments when they could have still attended school!

**On time:** School starts at 8:45am and it is our Kauri Whanau expectation that students arrive by 8:30am to prepare for the day.

**Tools for learning:** Students need to come prepared. This includes basics like a blue pen, healthy food and a water bottle.

**Uniform:** Students know the process and have been great at getting passes. Every student also needs a green Kauri band in order for their uniform to be perfect.

Our SMART target this term is: "To move a mountain, start with small stones". We will pull it apart this week and come up with some authentic indicators that make it real for us and our learning.

Our Values focus for the term are Responsibility, Honesty, Self-Management & Independence, Challenge & Competition.

In Week Two, our class will walk to South Mall to help achieve our Community Council goal which is to: Make our community a better place. Also, on that same day we will all be staying overnight at our school Marae Te Kahurangi. More information will follow later this week including an equipment list.

### Teachers that your child will have in Term 2

Humanities	Mr Vallender
Math	Mrs Sharan
Science	Mr Svela
Physical Education	Miss Lee
Performing Arts	Mr Tanaki
Sustainable	Miss Wright
Enterprise	

I look forward to catching up with you all and making Term 2 an exceptional time for us all! Save my number and don't hesitate to contact me.
