

TEAM TAWA 2019

Together Everyone Achieves More

Monday 29th of April

Welcome back to Room 62

It was so awesome to meet you all at Student Involved Conferences last term. These meetings are essential to ensure that there is an effective teacher/parent/student relationship and that our communication is strong so that your child gets the most out of MI.

MI Night Markets were challenging but we got there in the end, raising an amazing \$470 which was well above our target! This money was used to pay for our food at Survival Camp on Motutapu Island. Thank you to those parents who helped out and contributed to our stall; it literally couldn't happen without you.

Survival Camp at Motutapu Island was an awesome experience both for students and me. There was some solid class bonding going on. We climbed up the top of Rangitoto, played touch together, sang waiata every day, went for a swim, cooked and cleaned and though sometimes we struggled, we overcame the challenges and that's the main reason we were there! A big thank you to all parents who contributed with tents, gas bottles and to those who helped with cooking, cleaning, prepping kai and being present with the class. Again, this would not be possible without your contribution.

What to expect this term

ATTENDANCE AND LATES - Please ensure get hold of me if your child will be absent or late after 8:40am. Please bring any late students directly WITH YOU to the office. Thank you for your efforts to ensure this continues to be a priority. Room 62 has been doing amazingly well where all students have been showing up. We aim to always have 100% attendance!

NOHO MARAE - Room 62 will have their class marae stay in Week 2. This is a learning opportunity that all students in Room 62 are required to attend. Your child will come home with a marae stay consent form for you to fill out and return to me.

HEALTHY FOOD AND WATER - Packing a healthy lunch will allow your child to stay focused throughout the term. Please help them make something that is nutritious every day of the week; I've seen too many lollies and fizzy! Water bottles are also an essential part of helping your child learn. Students are encouraged to bring a water bottle to every class. We are supporting our students as they learn to care for their health and make good choices when they bring food to school.

Your child's teachers for this term are:

<i>Humanities:</i>	Tom Clarkson
<i>Math:</i>	Allison Leiatua
<i>Science:</i>	Jenny Oh
<i>Physical Education:</i>	Melissa Lee
<i>Sustainable Enterprise:</i>	Janelle Wright
<i>Performing Arts:</i>	Diarmid Tanaki
