

Values: Responsibility, Honesty, Self-management and Independence, Challenge and Competition

SMART Target: To move a mountain, start with small stones.

Monday 29th April 2019
Welcome to Term 2 2019.

Welcome back to school and the start of Term 2. I hope you all had a great holiday and were able to relax and rejuvenate ready for the term ahead. Spending time during the holidays visiting friends and family is very important but so is taking the time to keep working on skills such as reading and basic facts. This holiday I made it a priority to do some reading as it is something that I really enjoy and it helps me to relax. Send in a list of the books that the children have read during the holidays and we can make a reading suggestion list for other children and classes.

This term is another busy 10 weeks. We have our class marae stays, (Ours is Monday 1st July). More information will be coming out closer to the date in regards to what the children will need to do. In Weeks 8 & 9 we have our Cultural Focus Breakout where as a class we work together to prepare a performance for our UN Show on our country that is presented to the parents in the last week. If you have any skills or materials that you can provide please let us know.

Coming to school every day is really important to help all the children be all that they can be. If they are ill please let the school know as soon as possible or text me with why they are absent. If they are running late then please ensure that they have a note to explain or that you come to the office with them. This is also the case for any wrong uniform items, can you please ensure they have a note to get a pass from Ms Doidge and this needs to be to Ms Doidge before 8:40am.

If you get a call or message from me, please pick up or reply. I am just trying to make sure that everything is ok and to see if I can help at all. I will be monitoring absences and contacting you if your child is absent.

My school number is 2668268 ext 3070 and mobile 021459489.
