

RM 3 CLASS NEWSLETTER!

MONDAY 22ND JULY, 2019

Room 3 won the Class Environment Shield in Term 2.

TENA KOE, TALOFA LAVA, FAKAALOFA LAHI ATU, MALO E LELEI, KIA ORANA AND HELLO!

I hope you have all had a wonderful break and are ready to get right into another exciting term at Manurewa Intermediate!

Our class had some amazing highlights in Term 2 including our successful class Marae stay at the beginning of last term. This was a wonderful bonding experience for our students and helped to cement some of our learning around Marae kawa and tikanga. Room 3 also had their Southmall visit in Week 8 and had an incredible time performing as a class at the UNShow. We also had the privilege of winning the Class Environment Shield, the Rimu 'R' Chain on multiple occasions and were honoured to have a number of our students chosen to play hosts to a local kindergarten group. It has been an extremely productive term for our students!

Term 3 Preview

Term 3 looks to be very exciting with many engaging experiences and opportunities for our students. The new term brings forth a new inquiry for Module 6 - "Forensics". This module looks to uncover the world of facts and evidence and delves into the systems, processes and ways of thinking we can learn from investigators. Similarly, Module 7: "MI Expression" begins Week 8 and runs through to Week 9. As part of this unit, each class will be learning about various aspects of STEAM (Science, Technology, Engineering, Art and Maths). As you can already tell, it's going to be a fantastic term full of learning and creative experiences!

Reminders

Attendance & Lates

With the cold winter weather looming, it is inevitable that some students may become ill and will need to take a day or two off. Please ensure that you ring the school office to inform us when this does happen, or send a text message through to me. Similarly, to avoid a lunchtime community service, please bring any late students directly with you to the office or write a note for your student explaining their reason for being late.

Healthy Eating

Packing a healthy lunch will enable your child to focus better in the classroom and support them in developing essential lifelong habits. We are supporting our students as they learn to care for their health and make good choices when they bring food to school.

Finally, I would just like to say a huge thank you for all your support and aroha for our tamariki. With your help, there is nothing our kids can't achieve. I look forward to seeing you all at our Student Involved Conference on Thursday the 8th of August!
