

ROOM 4 NEWSLETTER

Monday 22nd July 2019

Tena koe, Talofa lava, Malo e leilei, Ni sa bula vinaka, Namaste, Ni hao, Fakalofa lahi atu, Kia Ora and Hello.

And just like that, half the school year is gone. Welcome back students, parents and caregivers. I want to start off by saying what an amazing Term 2 Room 4 had! From the UN Show and Food Fest, to our class marae stay, Term 2 was action packed! I would like to say a massive thank you to all the whanau that helped make our UN Show and Food Fest experience all the more memorable. Without your support these things would not be possible, so, thank you a million times over.

Term 3 is going to be another busy term full of exciting opportunities for your child. The new term brings forth a new inquiry for Module 6 - "MI Forensics". This module will investigate the varying systems and processes of thinking we can learn from investigators. **BRING ON TERM 3!**

A FEW REMINDERS FOR A POSITIVE START IN TERM 3:

- In our classroom, a major priority is making sure your child comes to school every single day. The best place for your child is here at school, so please ensure that students are here, on time, ready to learn, by 8:30am!
- Please ensure your child is in the correct school attire each and every day. This includes their Rimu whanau band which can be purchased for \$2 if misplaced.
- If you are running late, or your child has the incorrect uniform, please supply a written note detailing why.
- Finally, if for some reason your child will be absent, please notify me or the school office directly.

Fa'afetai lava,

Tessa Scholten
