Term 2 attendance looked fantastic for Room 14! Let's make sure to smash it again for Term 3. Remember to let the school know anytime your child will be absent!

What another fantastic term it was for Room 14! My absolute highlights were the UN show, Marae stay and commitment to learning from Room 14. It was brilliant to have such a high turnout for our Marae stay. I loved seeing all the effort put in throughout the term and our percentage of late students has dropped drastically from Term 1. Well done everyone in Room 14. Let's keep that incredible effort going as we move forward into the second half of the year!

MI Forensics:

This term we will get the opportunity to become world famous detectives. Using our initiative and estimation skills we will be exploring the theme of forensics. So channel your inner Sherlock Holmes and ready yourself for a fantastic term of discovery! We will also have the chance to explore 'Financial Capability', 'Media Studies' and 'Nutrition'.

Healthy Eating: This is going to be our big push this term. We NEED to be scoring more points for our healthy lunch boxes in class! Remember all fruit, white bread sandwiches and LEFTOVERS are worth mega points. Remember to bring them in!!
