# ROOM 25 Term 3 NEWS

Monday 22<sup>nd</sup> July, 2019

Kia ora whanau,

Welcome back to the third term of 2019! I cannot believe we are already half way through the school year. Just like the other terms, Term 3 will prove to be another busy and action packed time!

Room 25 had some amazing highlights in Term 2 including our successful class Marae Stay in Week 10. This was a wonderful bonding experience for our students and helped to cement some of our learning around Marae kawa and tikanga. Another highlight was our Southmall visit in Week 7. Although this was just for a short amount of time, it was a special learning experience for our students to give back to our community by making people smile. In Week 10, room 25 had an incredible time performing as a class at the UN Show. Not only this, but we also had a privilege of winning the Rimu "R" chain on multiple occasions!

Students can also look forward to beginning their new module subjects this term. In Term 3, students will be taking Performing Arts with Mr. Tanaki, Sustainable Enterprise with Ms. Wright and we will be entering the new module – "Forensics." We will also be learning about various aspects of STEAM (Science, Technology, Engineering, Art and Maths) in term 3.

## Reminders:

### Attendance & Lates:

Students must be at school by 8:40 am every day. Students who are late and do not have a note provided from home, will receive a lunchtime detention. If students are absent, *the school/teacher MUST be notified*. If I don't hear from you, I will be calling. If you see either of these numbers (266-8268) or (02102274735) - please pick up. It is just me worried about your child!

### Healthy Eating:

Please support our students by packing a healthy lunch. This will teach them healthy eating habits and how to take care of their body!

And as always, if you have any questions about anything, please do not hesitate to contact me!

Yours sincerely,

Esther Kim
