TERM 3

Monday, 22nd July 2018

TEAM TAWA 2019

Together Everyone Achieves More

Kia Ora whanau, welcome back to Term 3.

Term 2 was busy with our class Marae Stay and our inquiry into ancient civilisations. The UN Show preparation and performance kept us busy too. Thank you for coming along to support our class. I hope that all students have had a good holiday and are ready to get back into their learning.

Some things to note for the term ahead -

ATTENDANCE: Room 28 has been working hard to achieve 100% attendance and we still have some work to do. It is very important for your child to come to school **EVERYDAY** and be **ON TIME**.

CLASS ASSEMBLY: Our class will be running our assembly on Friday 13th September which will start at 9.50am. The whole class will be performing in our class item during this assembly and you are invited to come and watch.

Please make sure that your child comes to school everyday with a healthy lunch.

Module 6 MI Forensics

In Term 3 we will be exploring Forensics through our different areas of learning. This is an inquiry into what systems, processes and ways of thinking we can learn through investigating.

Thank you to all whanau who supported our class during the term and a special mention to those who helped out during the UN Food Fest!

MI Expression - Module 7

In Weeks 8 & 9 we are off timetable to explore a range of Science, Technology, Arts, Engineering and Maths areas and how these can be integrated to develop our learning and understanding. We will be having an exhibition of learning at the end of this module to showcase what we have learnt.

Your child will have the following teachers for Term 3:

Humanities - Aimee Burnett

Math - Allison Leiataua

Science - Jenny Oh

Physical Education - Melissa Lee

XPLO-Tech - Amanda Scott

Digi-Comp - Tanya Kearney

WHAT'S COMING UP?

Student Involved Conferences are happening in Week 3 of Term 3. Please complete the form that is sent home and book in your preferable time. I look forward to seeing you there.
