

BELIEVE. ACHIEVE. SUCCEED.

Room 29

Term 3 22 July 2019

Tena koe, Talofa lava, Fakaalofa lahi atu, Malo e lelei, Kia orana, Hello!

Welcome back to another amazing term with Room 29.

While I've been away I have visited different schools in Auckland looking at how they use devices. I'm excited to be back and ready to share my new ideas and resources.

This term our focus is on Forensics. What curiosities will this create for you? It's time to apply your

scientific knowledge and skills across your subjects, investigating crimes, finding or eliminating crime suspects.

We have Student Involved Conferences in week three and again it is expected that all parents and caregivers come.

In Weeks 8 & 9 we have our STEAM (Science, Technology, Engineering, Arts and Math) Fair. As a class we will work on group projects and prepare our display for our Exhibition of Learning in the Gym during Week 10.

Expectations 101

Attendance: Our class is falling behind with our attendance percentage.

I understand that students get sick but the school then requires a medical certificate when students return. I will only inform the office from now on if I receive a medical certificate. There are way too many students taking days for ailments they could have still attended with.

On time: School starts at 8:45am and it is our Kauri Whanau expectation that students arrive by 8:30am to prepare for the day.

Tools for learning: Students need to come prepared. This includes basics like a blue pen, healthy food and a water bottle.

Uniform: Students know the process and have been great at getting passes. Every student also needs a green Kauri band in order for their uniform to be perfect. As we continue into the colder months students are still allowed to wear plain black pants as an alternative.

- * Plain black shirts under their school uniform
- * Plain black long trousers (or track pants)
- * Plain black beanies
- * Girls are allowed to wear black stockings
- * PE uniform is the same all year

Values: Our values focus for the term are Pride, Fairness, Effort and Commitment, Excellence.

SMART Target: "Values are like fingerprints. Nobody's are the same, but you leave 'em all over everything you do."

Let's Celebrate: Term 2 Achievements

MI Musical: Emma Hall

Eco Ambassador: Emma Hall, Cara Parsons, Kiara-lee Tera
