

ROOM 32 CLASS NEWSLETTER

**LOOK IN THE MIRROR,
THAT'S YOUR BIGGEST
COMPETITION!**

**RIMU
DON'T QUIT.**

Hello, Bonjour, Salam, Kia orana, Bula, Mālō e lelei, Talofa, Kia ora, Ola and welcome back to Term Three of 2019!

Term 2 was a smashing success and I am so proud of the work the students have done. They continue to show such amazing maturity and progress in their learning and because of this they have been so successful.

In Term 2 there was a great deal of excitement about all the different events, and you should be proud of the accomplishments your child has made. In their learning, the students showed great resilience and creativity in their projects, and were able to conduct research on an Ancient Civilization of their own choosing. One of the highlights of the term was the amazing Marae stay that we had as a class, where we also conducted a Samoan Ava Ceremony. This night was an awesome opportunity to grow more as a class and the students showed great maturity and self-reflection while sharing the personal goals they each have.

We also had a wonderful UN Show presentation, and it was great to see so many whanau out to support us that evening. A special thank you has to go out to the whanau who came in and helped serve food at our festival stall all day!

It has been great to see so much support and engagement from the students in their learning, and your continued support and communication will be necessary going into Term 3.

Term 3 Preview

Heading into Term 3 we will be start the new inquiry Module Six - 'Forensics'. This will be a very unique learning opportunity and I hope the students are excited to be learning about investigations and understanding the scientific processes behind them! Module Seven: "Mi Expression" begins Week 8 and runs through to Week 9. As part of this unit, each class will engage in multiple opportunities to learn more about STEAM (science, technology, engineering, art, and math) activities.

I am very excited about this next term, and I hope that the students are just as excited as I am! If you have any questions about anything, do not hesitate to contact me right away.

Sincerely

Mr. Wilding

Uniform

We continue to make sure that every student needs to be in 100% correct uniform. Uniform passes can be given to your child if they are on time, and they bring a note. But we are working hard to improve this area as a class. Please ask if you are unsure!

Attendance and Lates

At MI we believe the best place for your child to be is at school so please make that students are here on time. If students are late, they will need a written note from a parent / guardian or be dropped off by an adult at the office. If students are going to be away, please let me or the school office know right away.

Healthy Eating

Please make sure to try and provide your child with healthy eating every day. This has been a massive focus in class and students are working hard to try and show a healthy lifestyle by following this.
