Monday 22nd July 2019

Welcome to Term 3 2019.

Welcome back to school and the start of Term 3. I hope you all had a great holiday and were able to relax and rejuvenate ready for the term ahead. Spending time during the holidays visiting friends and family is very important but so is taking the time to keep working on skills such as reading and basic facts. This holiday I made it a priority to do some science learning, reading about new ideas and researching new resources as I am constantly trying to improve and be better. If you would like some extra support for your child then please let me know and I will try to help them during Morning Tea and Lunch and then make sure that they go to Khan Academy or Homework Club.

This term is another busy 10 weeks. We have our class assembly. More information will be coming out closer to the date in regards to what the children will need to do. In Weeks 8 & 9 we have our STEAM (science, technology, engineering, arts and math) Fair, as a class we will work together on a project and prepare a display that will be presented during the Exhibition of Learning in the Gym during Week 10.

We also have our class assembly item in Week 10 on Friday 27th September from 9:50am.

Coming to school every day is really important to help your child be all that they can be. If they are ill, please let school know as soon as possible or text me with why they are absent. If they are running late then please ensure that they have a note to explain or that you come to the office with them. This is also the case for any wrong uniform items, can you please ensure they have a note to get a pass from Ms Doidge and this needs to be to Ms Doidge before 8:40am.

If you get a call or message from me, please pick up or reply. I am just trying to make sure that everything is ok and to see if I can help at all. Or to pass on positive feedback on what your child has done.

My school number is 2668268 ext 3070 and mobile 021459489.

Please, can you check that the children have the right equipment to be successful with the right stationery. Check to see if your child has their Kauri band as it counts towards the perfect uniform and they will be checked.

Having a healthy lunch and breakfast is key. The Wharekai is open from 7:30am and they can also make lunch then and at Morning Tea. We also have our healthy eating competition at school, so send your child to school with some fruit, leftovers, yoghurt, healthy snacks or sandwiches. That will be amazing.
