Room 75 Newsletter

Kia ora, Talofa Lava, Kia orana, Fakaalofa lahi atu, Mālō e lelei, and Hello!

Let's Kick Off A Great Term 3...But First, Reminders From Term 2

Term 2 proved to be challenging for us as a class. While we seem to do well with uniform, being near to 100% everyday, our attendance is not up to scratch! Whanau, please ensure that your child is at school by 8:30am, so that we can start our day off well.

Keep up the efforts with supporting your child to bring healthy eating (e.g. fresh fruit, vegetables, sandwiches, yoghurt). As you know, this is one of the best ways that we can teach your child to live well and independently into their high school years and beyond.

Ask your child about:

Our UN Show presentation and Food Festival contributions about Syria.

Our Marae Stay

On Wednesday the 12th of June, Room 75 stayed the night at Te Kahurangi, our school Marae. It was an excellent time for us to bond, share about each other's cultures, and learn about Maori customs, like the powhiri. I was very proud of our class, and the level of mature behaviour. Also, many students, who are usually more reserved, came out of their shells! This was especially true during our ava (hot chocolate) ceremony in the Fale, where many students rocked our term values of courage and honesty by linking Samoan values to their lives.

Term 3 Preview

We will be inquiring into "Forensics", wherein students will learn about how investigators use scientific skills and tools to uncover mysteries. Also, in Module 7, we will be featuring our STEAM (science, technology, engineering, arts, and math) projects during presentations to the school in Week 10.

On Assembly

On Friday the 9th of August at 9:50am our class will be presenting at our morning assembly in front of the whole school. We will be presenting about our learning around a growth mindset and how it connects to the values we promote at school. The "power of yet" is something worth sharing with the whole school! As it's a whole class presentation, it's very important that every child be present on that day.

Using Remind To Keep In Touch

Some parents still have not added this app. to their phones and I encourage it, as it is a free, safe, and simple messaging tool that helps teachers share important updates and reminders with students & parents.

Login to our classroom with the code: @svelam !

If you have any questions or concerns don't hesitate to contact me.

Ngā mihi nui,
Mr. Svela
