MONDAY 14 OCTOBER, 2019

Room 3 at the end of last term.

TENA KOE, TALOFA LAVA, FAKAALOFA LAHI ATU, MALO E LELEI, KIA ORANA AND HELLO!

Welcome to the final term of 2019! A very scary thought indeed!

This year has flown by quickly and it is incredible to think we have only 42 learning packed days before the end of the year. As per normal, we continue to strive for "Ultimate Perfection" and keep up the effort with our lateness, attendance and uniform. I have been really impressed with the students' collective effort in this area and we continue to improve term by term.

Not only this, but our class has had some incredible highlights in Term 3. From the School Cross Country to our fascinating Forensics module, all the way to our STEAM fair in weeks 8 and 9 - it has been a jam-packed term full of creative experiences for our tamariki!

Term 4 Preview

Term 4 looks to be very exciting with many engaging experiences and opportunities for our students. The new term brings forth a new inquiry for Module 8 - "Diseases and Cures". This module looks to investigate the way illnesses and disease epidemiology has shaped our world. Not only this, but we also have our Spring Social, MI Night Markets and Year 8 Graduation coming up later this term. Students can also look forward to beginning their new module subjects this week - this includes: Art with Mr Peilua and Languages with Whaea Iri.

Finally, I would just like to say a huge thank you for your consistent support and aroha for our tamariki - it has been an absolute privilege to teach your students this year and I cannot help but feel a sense of pride seeing students flourish and come into their own. I have truly appreciated getting to know all our whanau and look forward to celebrating with you all as the year 8 students graduate.

I will miss the smiling faces waiting at my door every morning, the laughter and most of all, I will miss teaching such a unique group of individuals who constantly challenge me, inspire me and make me want to be better.

Thanks for all the lessons Room 3.
