

ROOM 4 NEWSLETTER

Monday 14th October 2019

**Tena koe, talofa lava, malo e leilei, ni sa bula
vinaka, namaste, ni hao, fakalofa lahi atu, kia ora
and hello!**

And just like that, Term 3 is done and dusted. Welcome back students, parents and caregivers. I want to start off by saying what a fantastic term Room 4 had! Particular highlights included the success of our "Natural Disasters" STEAM Fair, winning the class environment shield, some fantastic Passion Pursuit performances and getting stuck into our awesome inquiry topic of Forensics.

Term 4 looks to be another busy term full of exciting opportunities for your child to get involved in such as our class assembly item (Week 6), School Athletics, MI Night Markets and our Passion Pursuits Cultural Show. The new term also brings forth a new inquiry for Module 8 - "Diseases and Cures". This module will look at how diseases and cures have helped shape our world.

A FEW REMINDERS FOR A POSITIVE START IN TERM 4:

- In our classroom, a major priority is making sure your child comes to school every single day. The best place for your child is here at school, so please ensure that students are here, on time, ready to learn by 8:30am!
- Please ensure your child is in the correct school attire each and every day. This includes their Rimu Whanau band which can be purchased for \$2 if misplaced.
- If you are running late, or your child has the incorrect uniform, please supply a written note detailing why.
- Finally, if for some reason your child will be absent, please notify me or the school office directly.

Fa'afetai lava,

Tessa Scholten
