TERM 4

Welcome back to Term 4. I hope you all had a good holiday and had lots of fun and rest. My time in the holidays was spent at the annual Teacher Games. I had the opportunity to meet many teachers from all over the country and make new connections by participating in fun events.

Reflecting back on Term 3 and the awesome investigations that took place during our Forensics theme, our boys and girls were masters at solving problems posed to them in their various subjects. Leading an investigation on the missing money book, making missing persons milk cartons from 1970's and escaping Alcatraz, these kids developed their growth mindset in thinking out of the box to complete tasks.

We are in the last stretch of Term 4 and we will practise the values of tolerance, trust, fun creativity and innovation, as well as to continue to work on the importance of being at the RIGHT PLACE, at the RIGHT TIME and wearing the RIGHT GEAR.

In our next exploration, we will be examining Diseases and Cures in modern day, as well as, historical events that shook the world.

Term 4 looks to be an interesting one as we draw closer to the end of such an eventful year.

It is important to come to school everyday. Our Kauri expectation is that you are here at 8:30am to be prepared for your day of learning. If your child is absent, you need to let the office or myself know with a valid reason.

There will also be a Whanau Fun Day on December 9th, in which our kids get to spend the day as a whanau away from school. We will need volunteers on this day to assist in having fun with us in making this day memorable for the kids. Please contact me if you are willing to assist on this day.

Kind regards

Shane Vallender
