

# Welcome back Room 12

14TH OCTOBER TERM 4

## Reflection on Term 3

Ka mau te wehi! What an awesome Term 3 we had. We celebrated each other and our cultures in style throughout our language weeks! We learnt tongue twisters, kiwaha (phrases), national anthems and a range of facts about New Zealand, Cook Islands and Tonga.

Throughout Term 3 we swooped across our Forensics topic! In Science, we got to be real investigators by gathering evidence from the teachers' gym and tracking down the person who stole Mr. Hutchings weights. In Humanities we looked into a range of conspiracy theories and learnt that people believe the writers of the Simpsons episodes are time travellers. This topic was so fun for the tamariki and the teachers!

As a class, we celebrated our successes in the sporting area. We congratulated each other as we crossed the School Cross Country finish line and cheered for those who were part of the School Zone Netball and Rugby League teams.

We were lucky enough to be the winners of our schools Class Environment Shield twice this term and we won the school Sustainable Shield for helping Miss McB.

A massive thank you to those whanau members who are consistently doing their part to help the tamariki with their growth!

I truly look forward to seeing what you amazing tamariki will bring to Term 4!
