

Room 13's Newsletter!

Term 4, 14 October 2019

Tena koutou, Talofa lava, Fakaalofa lahi atu, Malo e lelei, Kia orana,

Nau mai, hoki mai — Welcome back to the last term of the school year! Hope you have all enjoyed your well deserved break and are ready to get stuck into another term of adventure and learning.

This term we will get the opportunity to become scientists and medical practitioners. Using our scientific minds and empathetic values we will be exploring the theme of diseases and cures. So channel your inner Marie Curie and ready yourself for a fantastic term of discovery!

Specialist Teachers

Science	Charlotte Fox	Room	70
Math	Uane Davidson	Room	19
PE	Rob Shephard/Melissa Lee	Room	GYM
Performing Arts	Di Tanaki	Room	67
Sustainable Enterprise	Janelle Wright	Room	37

Form Time Subjects

Hauora	MI self and my peers
Friday Frenzy	Global Discoveries
Monday Magic	Careers

Kowhai Expectations

Attendance: If your child is going to be away please contact the office the day before or in the morning before school. **100% Attendance is crucial to success.**

On time: School starts at 8:45am and it is our Kowhai Whanau expectation that students arrive by 8:30am to prepare for the day.

Tools for learning: Students need to come prepared. This includes getting a good nights rest and making sure they have basics like a blue pen, pencil, and a water bottle.

Values: Our Values focus for the term are **Tolerance, Trust, Fun, Creativity and Innovation.**

Healthy Eating: This is a big push for us in Term 4. We NEED to be scoring more points for our healthy lunch boxes in class! Remember all fruit, white bread sandwiches and LEFTOVERS are worth mega points. Remember to bring them in!! BIG WHANAU POINTS!

Uniform: Students know the process and have been great at getting passes. Every student **MUST** have a yellow Kowhai band in order for their uniform to be perfect. As we start to leave the colder months students are to now wear our summer uniform. Students may wear a plain black cap

If you have any questions regarding your child's learning or about MI you can contact me by email or class phone.
