Term 4 - Monday 14th October

Tene Koe, Talofa, Malo e Lelei, Kia Orana, Hello, Shwmae

Well done Room 14 for a fabulous Term 3. Some of our highlights included our class assembly, solving the mysteries of the missing weights and our awesome efforts in learning our Pepeha. I hope everyone has had a super break! I know that I certainly did with my trip to the South Island and to the Teacher Games 2019! As Room 14's teacher it was great to see the amount of points increase over Term 3 with students bringing full uniform and wearing their Kauri bands. How awesome for our whanau. Let's keep that effort up in Term 4 because as our SMART target for Term 4 says *'Starting Strong is Great, Finishing Strong is Epic!*

Term 4: Diseases and cures!

This term we will get the opportunity to become scientists and medical practitioners. Using our scientific minds and empathetic values we will be exploring the theme of diseases and cures. So channel your inner Marie Curie, and ready yourself for a fantastic term of discovery! Also with end of year approaching our Form Time sessions will look to the future. On Monday's we will be thinking about **careers**, **friendships** and **relationships**, while on Friday's we will be exploring **global discoveries** and the wonders of the world!

Healthy Eating: This is still a big push for us in Term 4. We NEED to be scoring more points for our healthy lunch boxes in class! Remember all fruit, white bread sandwiches and LEFTOVERS are worth mega points. Remember to bring them in!! BIG WHANAU POINTS.

Tolerance, Trust, Fun, Creativity and Innovation

Uniform:

With the days getting warmer again we are back to our summer uniform. Students are to wear their short sleeved uniform shirt and either a skirt or shorts. The boys still continue to wear their long locks.

Whanau Fun Day:

This term we have our Whanau Fun Day on the 9th of December. It would be great to see you coming along to celebrate the year with your child.

Regards

Thomas Morgan
