

# ROOM 23 CLASS NEWSLETTER

## Monday 14th October 2019

Talofa lava, malo e lelei, hello and welcome back students, parents and caregivers. Term 3 was amazing for Room 23 and all of our hard work is starting to pay off. The class worked very hard on their STEAM Fair project over a two week period and the students were all very proud of the end product.

This term we have two modules: 'MI Diseases and Cures' and 'MI Experience'. More information on these modules will be coming out later this term. We also have our last Student Involved Conferences this term on Tuesday 10th December. It is essential that you attend this so we can reflect on your child's year at Manurewa Intermediate.

Also this term we have our school MI Night Market on Friday the 22nd of November. Your input, contribution and attendance on the night will be vital to its success. Please talk to your child about how you can help make the end of our year unforgettable. We would love to see you here!

### What we can improve on as a class:

**Healthy Eating:** A massive improvement in Term 3 but we still need everyone on board. We need to bring more healthy food every school day.

**Lates:** Students are required to be in school by 8:40 am. Any time after this is deemed as late.

**Stationary:** This is an area we need to improve on as many students do not have the correct gear to give them the best opportunity to learn.

**Attendance:** Our attendance is excellent - one of the best in the school, so staying consistent is vital for this up and coming term.
