ROOM 25 Term 4 NEWS

Monday 14th October, 2019

Kia ora whanau,

Welcome back to the last term of 2019! Wow, how time flies! Term 3 certainly went by quickly and I cannot believe we are already in the last term of the school year. Just like the other terms, Term 4 will prove to be another busy and action packed time. Keep encouraging your children to make the most of the time they have left!

Before dwelling on this term's news and information, I would like to take a moment to thank those parents who took time out from their busy schedule to support their children with Student Involved Conferences. Your support, words, praise and encouragement would have definitely made them feel proud of who they are. Also, a massive thanks to those of you who attended and contributed to our STEaM Fair. We enjoyed our STEaM focus and everyone worked hard to research, plan and create amazing displays!

Room 25 had some amazing highlights in Term 3 including our successful STEaM Project in Week 10 and had the privilege of winning the Rimu "R" chain on multiple occasions.

During Term 4, students can also look forward to beginning their new module subjects. They will be taking Foods with Mrs. Rowney, Music with Mr. Huata and we will be entering the new module – "Diseases and Cures."

Lastly, it has been my pleasure and privilege to watch their character, personality and intellect develop day by day as we have learned new things together. This year, we have lived, learned, laughed and grown up together. Thank you for trusting me with your child.

Reminders:

Attendance & Lates:

Students must be at school by 8:40 am every day. Students who are late and do not have a note provided from home will receive a lunchtime detention. If students are absent, the school/teacher MUST be notified. If I don't hear from you, I will be calling. If you see either of these numbers (266-8268) or (02102274735) - please pick up. It is just me worried about your child!

Healthy Eating:

Please support our students by packing a healthy lunch. This will teach them healthy eating habits and how to take care of their body!

As always, if you have any questions about anything, please do not hesitate to contact me!

Yours sincerely,

Esther Kim
