

BELIEVE. ACHIEVE. SUCCEED.

Room 29

Term 4 14 October 2019

Tena koe, Talofa lava, Fakaalofa lahi atu, Malo e lelei, Kia orana, Hello!

Welcome back to another amazing term with Room 29.

This term is another busy 9 weeks with the MI Night Market, Whanau Fun Day, Year 8 Graduation, SIC's and Prize Giving. We will need as many parents as possible to help out at Night Market and Whanau Fun Day. More information about this will come out at a later date.

We have Student Involved Conferences in week 10 and again it is expected that all parents and caregivers come. This is an awesome opportunity for you to see the growth of your child.

Specialist Teachers

Science	Charlotte Fox	Room 70
Math	Thomas Morgan	Room 14
PE	Rob Shephard	Room 23
Music	Mokoia Huata	Room 62
Food Technology	Anne-Marie Rowney	Room 81

Form Time Subjects

Hauora	MI Self and Careers
Monday Magic	Careers
Friday Frenzy	Global Discoveries

Expectations 101

Attendance: Our class is falling behind with our attendance percentage. I understand that students get sick but the school then requires a medical certificate when students return. I will only inform the office from now on if I receive a medical certificate. There are way too many students taking days for ailments they could have still attended with.

On time: School starts at 8:45am and it is our Kauri

Whanau expectation that students arrive by 8:30am to prepare for the day. If they are running late then please ensure that they have a note to explain or that you come to the office with them.

Tools for learning: Students need to come prepared. This includes basics like a blue pen, healthy food and a water bottle.

Healthy Lunches: Having a healthy lunch and breakfast is key. The Wharekai is open from 7:30am and they can also make lunch then and at Morning Tea. We also have our healthy eating competition at school, so send your child to school with some fruit, leftovers, yoghurt, healthy snacks or sandwiches. That will be amazing.

Uniform: Students know the process and have been great at getting passes. Every student also needs a **green Kauri band** in order for their uniform to be perfect.

- * Plain black cap
- * PE uniform is the same all year

Values: Our values focus for the term are Tolerance, Trust, Fun, Creativity and Innovation.

SMART Target: 'Starting strong is great; finishing strong is epic!'

So, if you have any questions regarding your child's learning or about MI you can contact me by email or our class phone.
