Rec for Term 4- replaces Options

We are moving back to the summer term so the right uniform will be needed, especially for REC on Thursday afternoons. Students will be able to wear sports shoes and no jumpers please.

Room 30's UN Show, based on Samoa was a great success, which the crowd really enjoyed! Well done to everyone!

# TEAM TAWA 2019

**Together Everyone Achieves More**

Talofa, Malo e Leilei, Haere Mai, Hello.

Welcome to Term 4. Moving into the last term it is really important to keep the energy up and focus in class pushing towards a strong finish for the year. Thank you for all your effort and help in supporting your child and their learning. Your child is very special and I want them to keep making progress in their Graduate Profile goals and in their academic learning.

**Term 4- New Module**

This term we are focussing on Diseases and Cures and how they have come to shape the world we live in. We will be exploring different events, discoveries and careers also. MI Forensics was a great success with some outstanding work done in class. Well done.

**Student Involved Conferences Term Four**

This is really important as it is the last one for the year. It would be great to see everyone there as it is crucial to celebrate your child's academic achievements and for them to show you what they have been doing in class.

**Healthy Eating**

This is continuing for Term 4. Any food that is healthy is encouraged. This could include leftovers from dinner last night or fruit. Let's keep this going as a class.

**Uniform, Lates and Attendance**

I would like to maintain focus in these areas and to push as hard as possible. If your child does not have the correct uniform please write them a note and they can get a pass at school. If your child is going to be late please come into the office with them and they can get a pass, but this is only once a week. Class attendance is good overall and this needs to be maintained for Term 4.

Kindest Wishes,

Cian Byrne-Hansen

## **ROOM 30** **14TH** **OCTOBER** **2019**
