

Monday 14 October 2019

Term 4 is already here and it is primed to be super exciting. For starters I would like to thank everyone who attended the Student Involved Conferences in Term 3. These are so important and have the potential to become a powerful tool for planning success with students.

This Term will be all about getting stuck in and also having some fun. I am looking forward to Athletics Day in Week 3 and our Boys Night Out/Girls Night In during Week 5. Please come along and show your support for our kids.

Now even more fun. We have our MI Night Market in Week 6 and we will need everyone's great ideas and support to make this a success. Passion Pursuits Cultural Show is a compulsory event and an opportunity for students to showcase a full years worth of practise to you all.

To finish off the term and year we have our Whanau Fun Day. More details related to this will follow closer to the event.

Congratulations and well done!

Wairua received a Silver Card in Week 7 for picking up a massive bag of rubbish after school without being asked to. She has always been service minded and made us all very proud.

IMPORTANT DATES FOR - TERM 4 2019

11.15am Prize giving
2.55pm End of the year

EXPECTATIONS 101:

Attendance: This is so important, research and history shows that students who attend regularly achieve better. Last Term our overall class average dropped dramatically. As a team, we need to support each other to ensure we bring this back up. I will be in contact with individual whanau.

On time: Getting to school by 8:15am gives every student time to get organised for the day. Being late creates issues for our morning routines. Students are old enough to organise themselves for school.

Tools for learning: We are a well resourced school however, students need to arrive each day in full school uniform, with healthy food to keep the 'engine pumping' and at least a blue pen.

In Week 7 Hailey was awarded the Kickstart Breakfast Award for her service. She received a plaque, flowers and \$2,000 to be used towards her education. She plans on buying a device to use at High School, a uniform and some art supplies.

Congratulations Hailey!

Our SMART target this term is "Starting Strong is Great; Finishing Strong is Epic!" and this is a statement that we pull apart together as a class and relate to us as individuals as well as a class. We have had a challenging year and overcome some barriers. However, we are going to finish this year with our heads held high and a smile on our face.

Our Values for this Term are Tolerance, Trust, Creativity and Innovation and lastly my favourite, FUN. We will need to incorporate all of these as we start preparing for our Assembly which is in Week Three. Now is a good time to start thinking about what we could do as a class.

Teachers that your child will have in Term 4

Humanities	Mr Vallender
Math	Mrs Sharan
Science	Mr Sveta
PE	Miss Lee
Visual Art	Mr Peilua
Languages	Whaea Iriarangi

Form Time Subjects
