

TEAM TAWA 2019

Together Everyone Achieves More

Monday the 14th of October, 2019.

Welcome back to Room 62

Kia Ora and welcome back to Term 4! Term 3 was so busy as students got stuck into the Forensics module. They were so engaged with their subjects this term and I really enjoyed looking at the work that they did in Humanities and Science. All students have come such a long way in all of their subjects this year, and the goals set during Student Involved Conferences were effective in motivating them to achieve and make further progress.

The term shifted up a gear with the STEAM Fair. In this module, we studied the physics behind musical instruments and the way that physical makeup affects the sound that it produces. They even made their own instrument from household items. It was cool when they presented their instruments to the class which included a drum set made out of buckets, flutes made out of carrots, tuned bottles, a guitar made from a gift box and heaps more.

Term 3 ended with a bang as Room 62 had a very prominent role in Rewa's Got Talent. The entire class was involved and we had a live band with a Sasa and Siva that was choreographed by the kids. A special mention to MJ, Victoria, and Pele who also made it through the auditions with their own performances! I should also make an extra mention to Nina, Dhivnesh, MJ, Pele, and Victoria who were also involved at BandQuest. What another outstanding display of performance that has come from Room 62 this term!

What to expect in Term 4:

Term 4 is jam-packed with activities including MI Athletics day at Massey Park in Papakura (week 3), MI Night Markets (week 6), Passion Pursuits Performance (week 7), Whanau Fun Day and SIC's (week 10). Thank you for your continued support as we all work together for your child's learning.

Year 8 students will be focussing intently on working as hard as they can as they ready themselves for high school. Graduation is an important event and I am looking forward to celebrating the successes of your child's time at Manurewa Intermediate. It is also really great to see Year 7 students stepping up and taking on positions of responsibility and working hard to achieve their goals.

ATTENDANCE AND LATES - Another solid effort from Room 62 with attendance and lates last term. Let's keep it going whanau. 100% attendance all the time! Please ensure that you get hold of me if your child will be absent or late after 8.40am. Please bring any late students directly WITH YOU to the office. Thank you for your efforts in getting your child to school!

Your child's teachers for Term 4:

<i>Humanities:</i>	Tom Clarkson
<i>Math:</i>	Allison Leiataua
<i>Science:</i>	Jenny Oh
<i>Physical Education:</i>	Melissa Lee
<i>Foods:</i>	Anne-Marie Rowney
<i>Languages:</i>	Iri Maki
