

ROOM 73 CLASS LETTER MISS TAMAKI

Term Four 2019

MONDAY 14 OCTOBER

WELCOME BACK WHANAU

I sincerely hope the holidays have been a great time for your child to recharge and prepare for a very busy Term 4 ahead. Rest is vital to ensure we complete the year as successfully as it began.

Our Term Three events were very successful. Student Involved Conferences were positive and the students definitely demonstrated more focus across all areas. Achieving goals is empowering and all the students experienced this to varying degrees. Our Class Service at South Mall was a great opportunity to give back to our community. Along with Room 35 we sang some songs in the centre of the Mall and cleaned an area near the train tracks. It was an eye sore and the students demonstrated determination to make Manurewa look awesome! STEAM Fair was highly engaging and we achieved some huge goals. Please ask your child about their projects and we'll make sure we have them on show at our next Student Involved Conference.

At this time of year emotions run high and tensions can rise. To maintain consistent learning it is important that your child is at school everyday. The routines and structures our system provides is a great way to manage these times. I hope you will continue to ensure your child's attendance right to the end. I hope you will continue with your efforts to ensure your child arrives at the right time. We have all greatly improved here so I would like to encourage this progress. I would also like to thank all parents and caregivers who ensure your child's uniform is correct everyday. We are entering the warmer months so please organize for the summer uniform as quickly as possible.

The Term 4 Module 8 topic is "Diseases and Cures". Our module subjects are Foods with Mrs Rowney and Music with Mr Huata.

Finally, I look forward to seeing you all at the range of events we have planned. Our MI Night Markets on Friday 16th November and final Student Involved Conference on Thursday 13th December 8am - 8pm.

Please do not hesitate to contact me if you have any questions.
