ROOM 15

MEMORABLE MOMENTS

Kia ora, Talofa lava and Mālō e lelei, Room 15 whānau

What a fantastic two terms it has been in the Room 15 classroom and I know that with all the exciting things lined up for Term Three, the best is still yet to come!

As we begin Term Three, let's take a moment to appreciate all of the success that we have achieved so far this year. Room 15 students have shown incredible growth over the first half of the year — not only in their learning but in their confidence, creativity and teamwork. It was especially exciting to see their enthusiasm as they explored new subjects, from cooking delicious dishes to becoming innovative engineers and designers through our STEAM project. Learners showed just how curious, determined and optimistic they truly are and they should be proud of themselves.

As we look ahead, Term Three is shaping up to be another exciting one! We are eagerly preparing for our UN Show, where Room 15 will bring to life the story of a different culture. We are also counting down to our marae stay in Week Three, which will give us a special opportunity to strengthen our connection to Te Ao Māori, deepen our understanding and continue to build whanaungatanga.

This term, we are also focusing on service and kindness. Our students will be creating and sharing kindness cards to uplift and support members of our wider community — a small gesture that we hope will have a big impact.

I look forward to meeting with you, whānau, in Week Four of this term for SICs. As you know, it's important to have a strong connection between school and home, so it will be a great opportunity for us to celebrate the learning and progress of your child once more.

As always, I want to take the opportunity to thank you all for your continued support. It has been a pleasure working alongside both you and your child this year and I cannot thank you enough for all of the time and effort you also give to your child's learning journey. I look forward to seeing you soon, however, as always, please do get in touch if you have any questions in the meantime.

REMINDERS

ATTENDANCE:

I expect 100% attendance! Your child must be at school everyday. If your child is not able to come to school, make sure to contact me in the morning, preferably before 8:30am. I will be contacting you if your child is away without a valid reason as they can not progress with their learning if they miss school. We want and need your child at school everyday!

LATES:

If your child arrives to school after the 8:30am bell, they will be on Community Service at Lunchtime the following day. To avoid this happening, please ensure your child is getting to bed at a decent hour each night so they wake up early and get to school on time.

UNIFORM:

Your child needs to be in 100% correct school uniform. This includes their whānau band. Refer to the MI Planner for more information. If there are any problems and your child does not have the correct uniform, please send them to school with a note. They can take this to Mr Peilua to receive a uniform pass.
