

TERM THREE VALUES: PRIDE | FAIRNESS | EFFORT + COMMITMENT | EXCELLENCE

## Room 79

Kia ora koutou whānau, and welcome back to another exciting term! I hope that your child had a fantastic and well-rested break, and are now ready to embrace the opportunity to "be better than the day before." I look forward to witnessing the new learning and challenges that lie ahead of us this term.

In Term Two, we encountered a variety of new challenges, both inside and outside the classroom. In the first two weeks of the term, every student produced high-quality STEAM projects. I am proud of the persistence and focus they demonstrated throughout those two weeks.

There are many new and exciting things happening in Term Three. We begin with the UN Show, where we will learn about Vietnam and create a performance to share what we have learned. We also have SICs (Student Involved Conferences) where we will discuss the progress you have made so far.

Lastly, as a class, we strive to be the best we can be and seize every opportunity given to us. The key to making the most of these opportunities, learning as much as possible, is to "be better than the day before." In order for your child to receive the best education MI has to offer, it is important that they show up to school every day, on time, and in the correct uniform.
